Projects

Kawaii

11/2022

A Skincare and Makeup Website

- Developed a responsive skincare and makeup e-commerce website called "Kawaii" using Bootstrap, HTML, and CSS.
- Pioneered an inviting landing page, an orderly product catalog, user enrollment/authentication, and an enlightening blog section.
- Delivers a seamless user experience, rapid loading times, and robust security measures.

ASM Detector

08/2022 – 11/2022

Electronic based project

- Engineered a one-of-a-kind alcohol and moisture sensing device, employing an MQ-3 alcohol gas sensor and moisture sensor.
- Integrated an LED display and an audible alert system for high alcohol vapor detection
- Designed to forestall accidents, especially addressing issues related to drunk driving and hazardous road conditions.
